

Capability Statement

September 2025

www.globalhealthconnector.com @globalhealthconnector

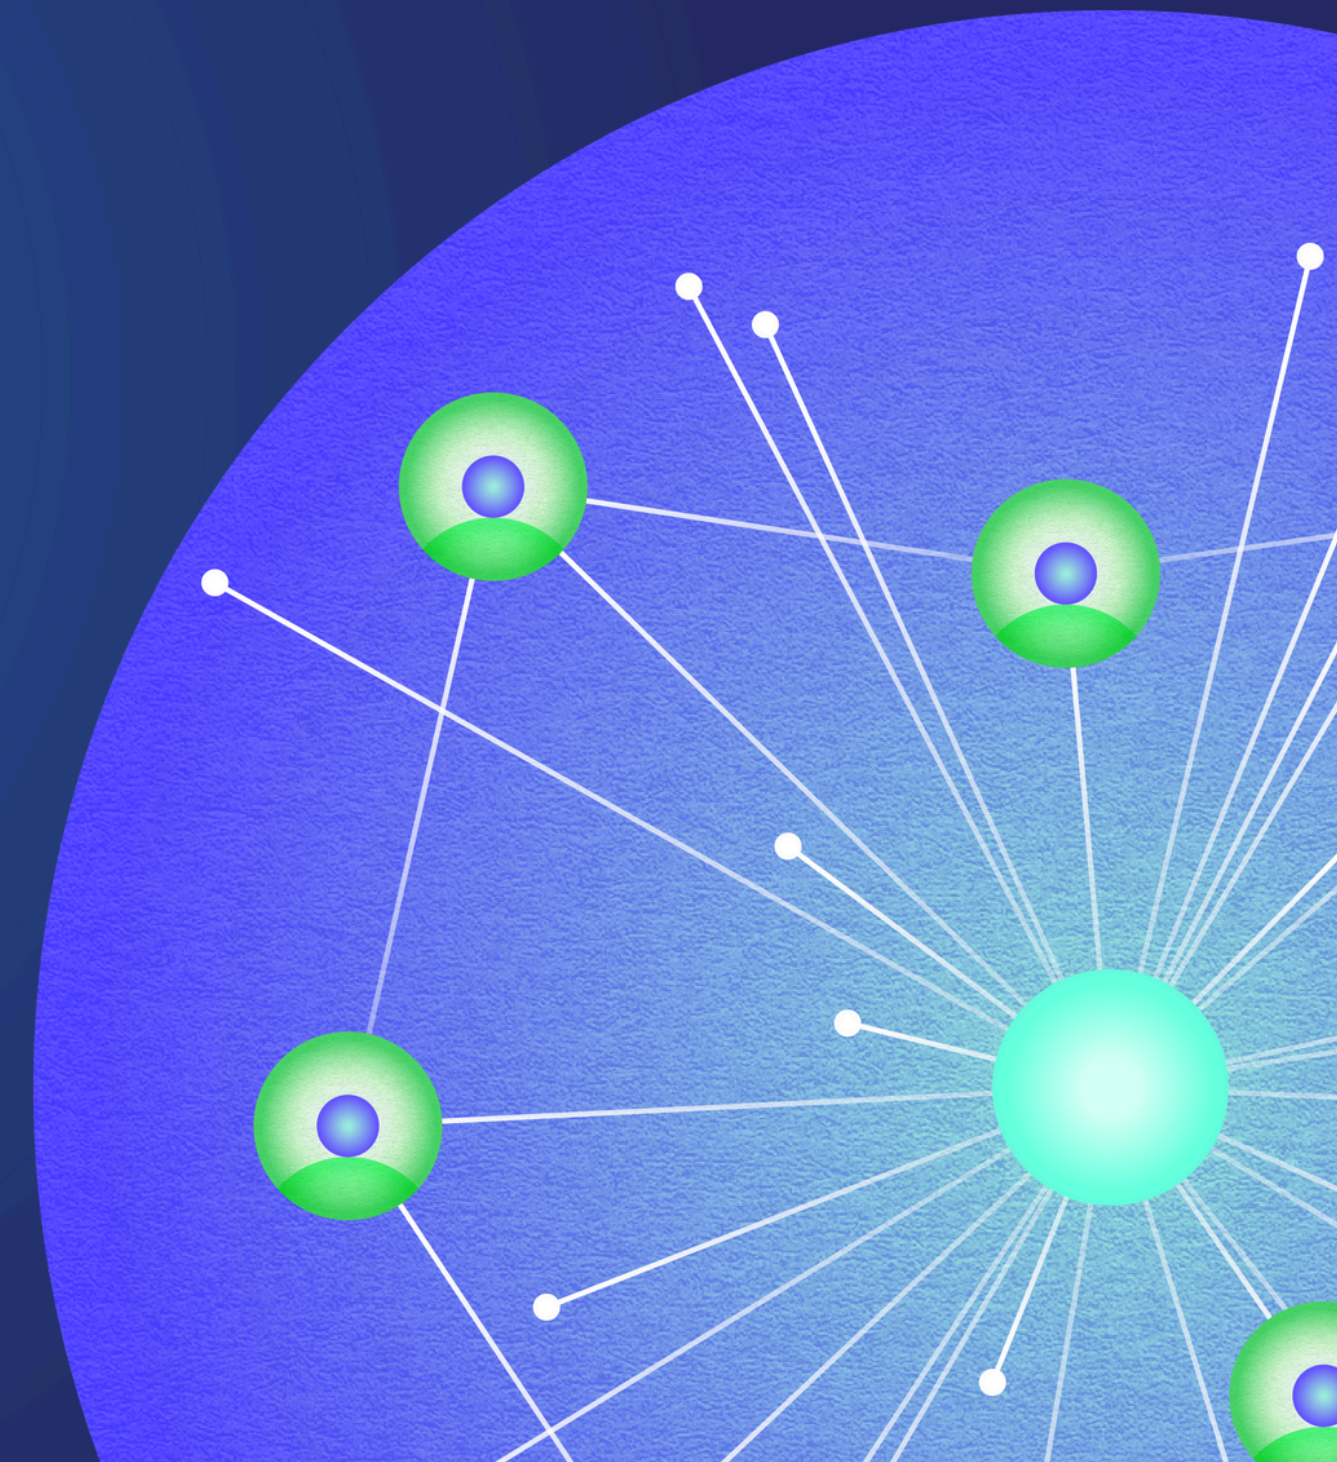

MISSION-POWERED. GLOBAL BY DESIGN.

We are not a Charity, a Lobbyist, a Trade Association, or a Vendor

We are an independent global 'Community Interest Company' that connects everyone to tackle Health, Wellbeing and Longevity.

We have no shareholders, any profits generated from our services must be reinvested in our workforce and activities.

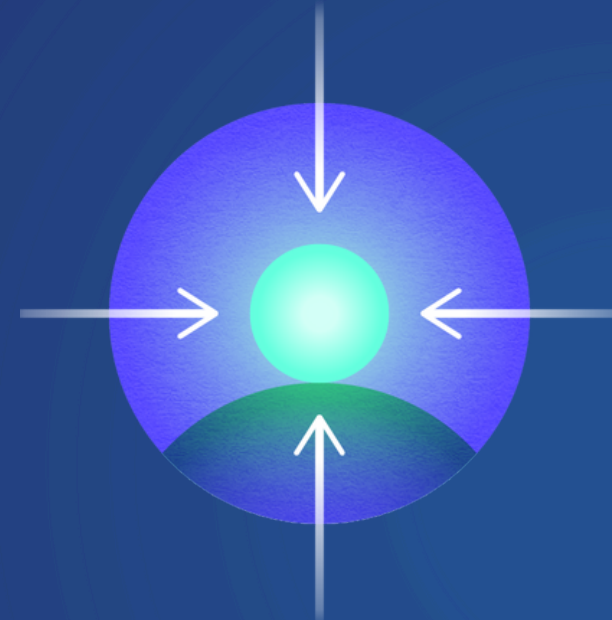

How we work to connect the dots

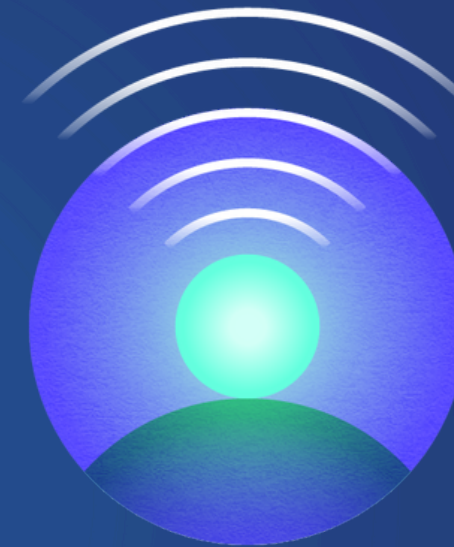

CONNECT

We leverage our global network to access the right people, partners, opportunities and support.

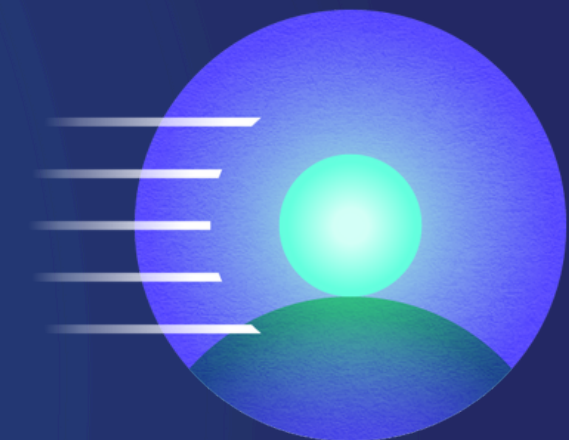

CONVENE

We act as an honest broker to bring stakeholders together around topics and initiatives.

AMPLIFY

We use our global reach to elevate your message and extend your influence.

ACCELERATE

We tap into our Ecosystems and network of experts to fast-track learning, adoption, and impact at scale.

The Connector Programme: Where ambition meets action

It's a curated platform of services and activities designed to engage Strategic Partners, Public Sector Organisations, and our wider Ecosystem community — enabling global collaboration, insight, innovation, and influence. We refuse to work in silos. We bring the right people together and push them to act, creating the conditions for real, measurable change in health and care.

Activities

ROUNDTABLES

Invitation-only, sponsor-driven sessions with curated audiences that lead to insight, policy influence, and partnerships.

FORUMS

Recurring thematic groups (AI, Pharma, Hospitals) built on trust and designed for continuous action and collaboration.

PITCH DAYS & INVESTMENT CLUB

Where innovation meets capital. Curated deal flow and opportunities to accelerate ideas into impact.

INSIGHT HUB

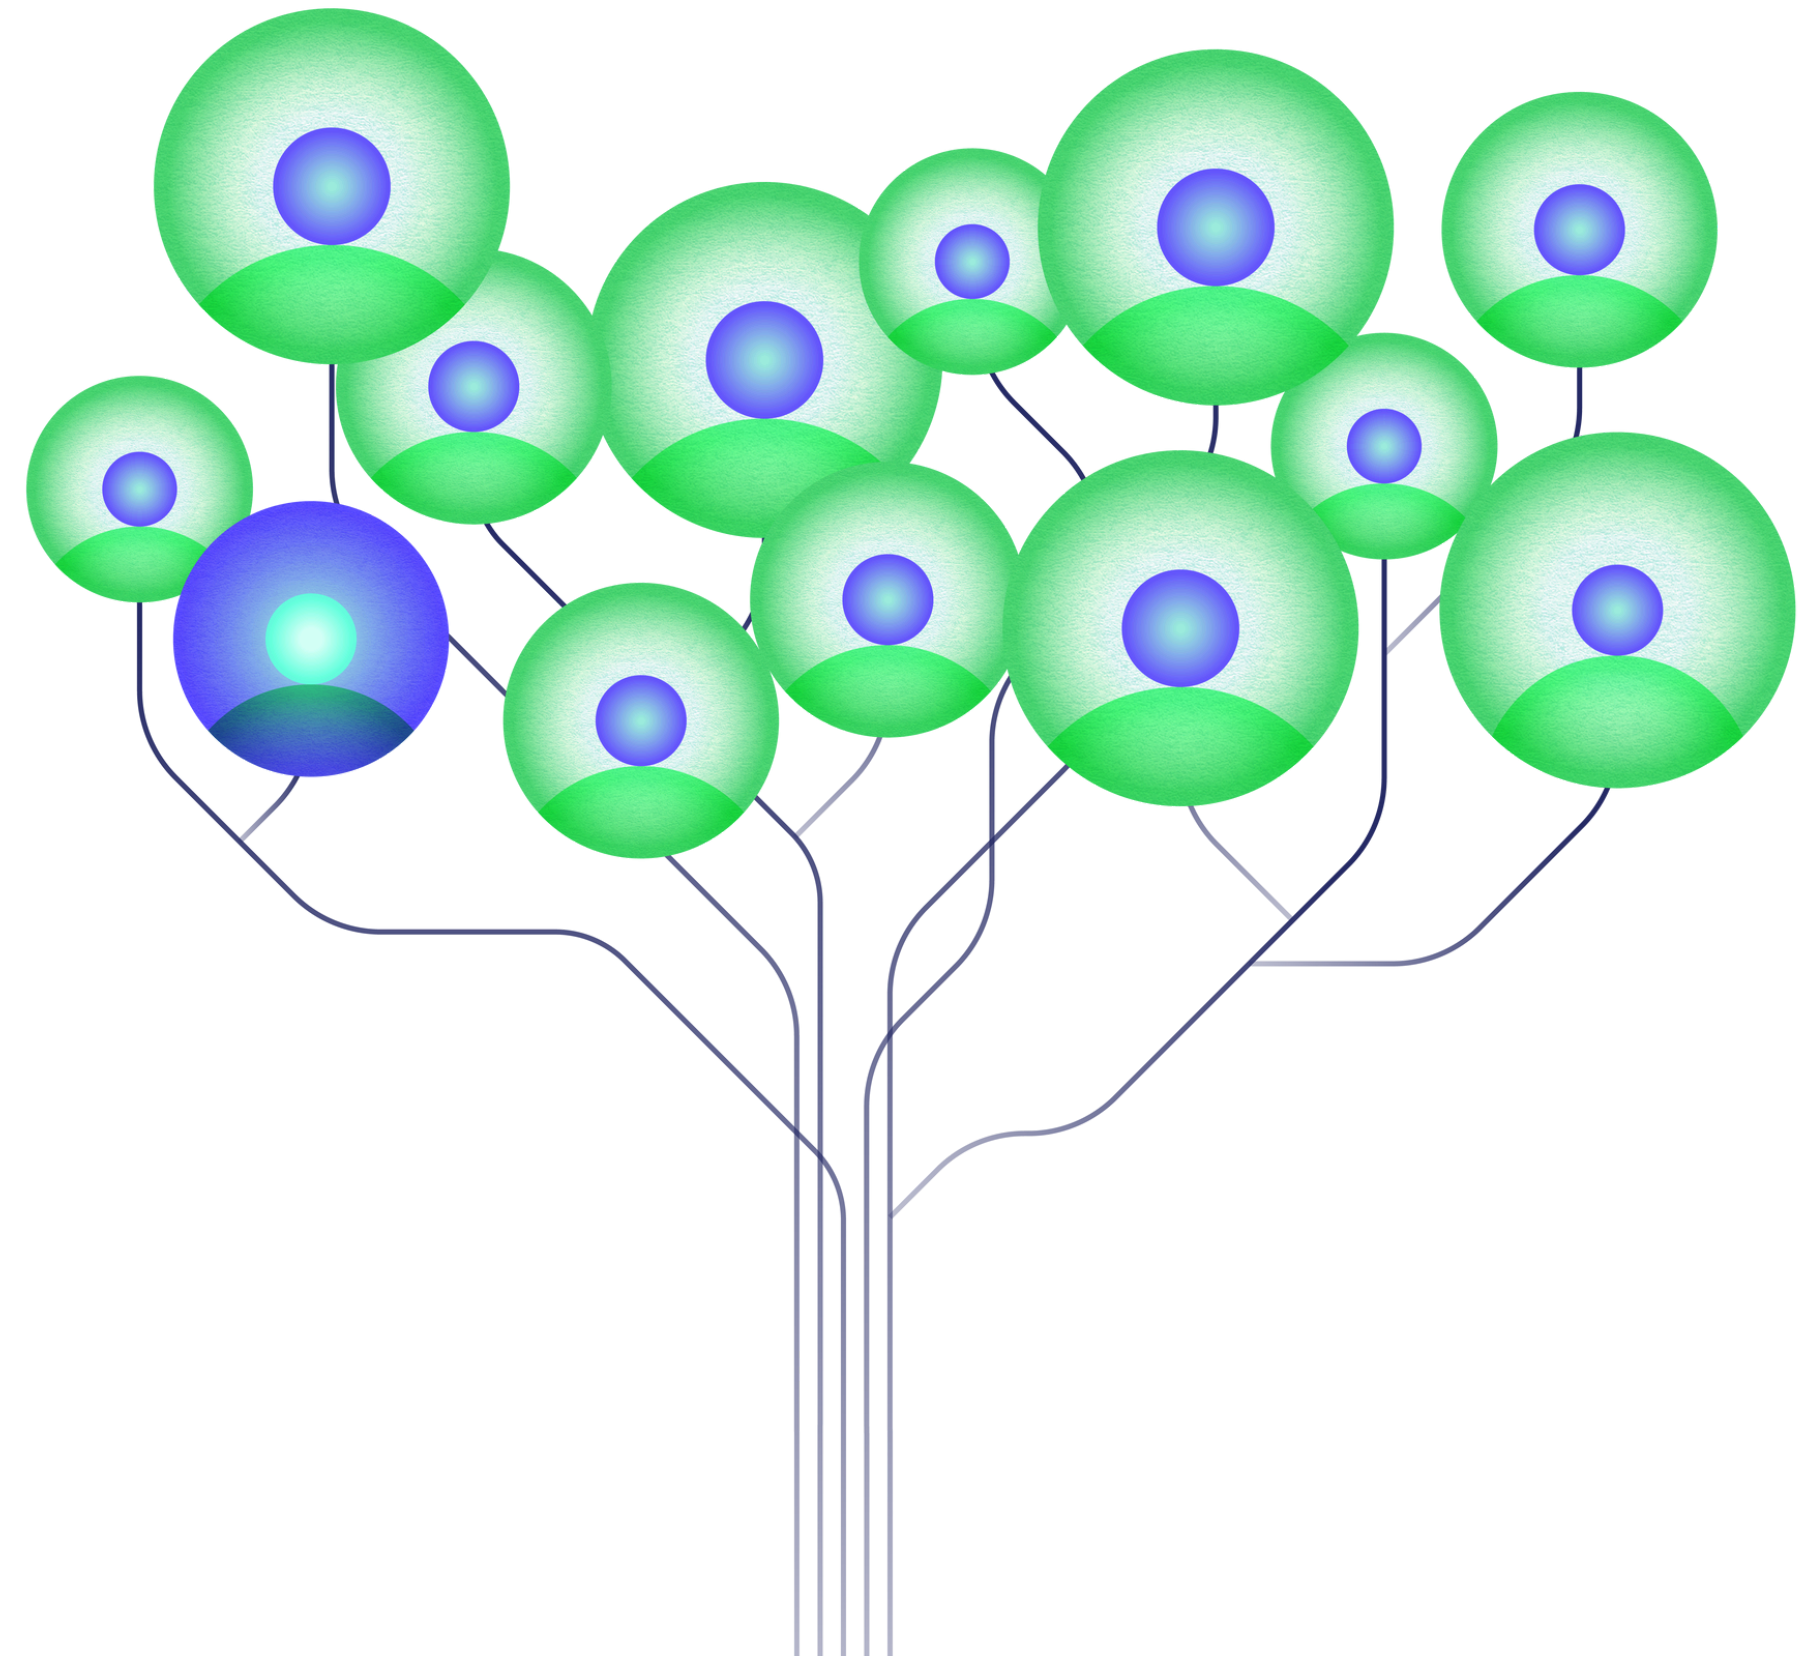

Data, market intelligence, and research — collated, curated, and created to inform the future of global health.

CONFERENCES & EVENTS

Flagship events and Global Health Connector branded events that connect ecosystems, members, strategic partners, and innovators to influence policy and scale solutions.

We don't wait for impact - we build it

Our services are designed to move ideas into action and deliver measurable change in health and care worldwide. Some are exclusive to our Strategic Partners, others are available to everyone. Each service is built on trust, expertise, and our relentless drive to connect needs with solutions.

Services

EXCLUSIVE CONNECTOR PROGRAMME PARTNERS:

MARKET ENTRY STRATEGY & SALES SUPPORT

Full-service sales and marketing solutions — from strategy and planning to campaigns, bid support, and market entry. Sector specialists.

MATCHMAKING

The GREAT connector. Honest brokering to match organisations, geographies, expertise, and themes. From partner searches to full consortia establishment.

PROJECT MANAGEMENT

Full-service management and coordination of projects — beyond EU and publicly funded programs.

TALENT

Board-level introductions and NED placements. Direct placement of senior talent or acting as introducers through our global network.

BID MANAGEMENT

Full bid service including writing, partner matching, and management. Success-fee potential.

COMMUNICATION

Strategic communication to amplify reach: stakeholders, media, content, web, newsletters, reports, YouTube.

STRATEGY REVIEW

Board-level strategy review and development tailored to organisational needs.

INFRASTRUCTURE & DELIVERY SYSTEMS

Scope, design, and advisory services leveraging our network and expertise to deliver sustainable health infrastructure.

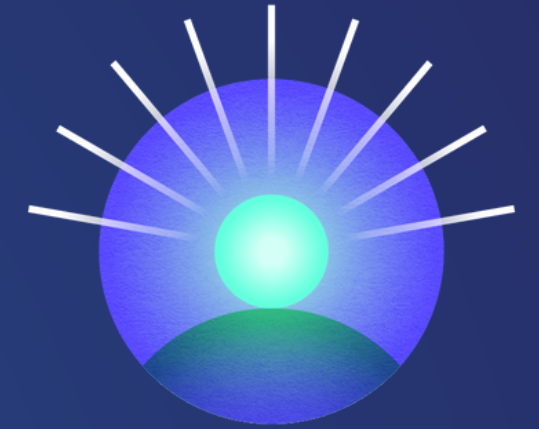

RESEARCH & EVALUATION

Collaborative research, surveys, audits, and technical evaluations. Support for dissemination, stakeholder engagement, and foresight.

We are your trusted project partner

With **over a decade of experience**, we lead and support projects that transform health and care worldwide. Since 2012, we have delivered European programmes while expanding our impact through global collaborations and international partnerships.

Our Innovation Team drives **research and innovation** projects in health and data governance, scouts funding opportunities, builds strong consortia, and designs proposals with our ecosystems and members.

Calls to Action on Health Data Ecosystems

Recommendations from multi-stakeholder round tables

sponsored by

Johnson & Johnson

Multi-stakeholder consensus recommendations

1

Raise the digital, literacy and skills of all stakeholders

2

Generate and value trustworthy Real World Evidence

3

Accelerate interoperability across Europe and globally

4

Demonstrate benefits to society from data access, use and reuse

5

Adopt a risk stratification approach

6

Build a trustworthy framework for data access and use

7

Adopt a transformational approach to health data
